Alumni Registration

Government Degree College Kupwara was established in 1988 and is the first degree college of the district. This college is Alma mater of many people of this area. Alumni are a strong support to any institution and contribute to academic matters and student support.

This institution has undertaken an initiative to register the alumni of this college and to undertake activities such as,

1. To establish an alumni cell and maintain a database of the alumni.
2. To share information with the alumni regarding the latest initiatives of the institution.
3. To invite alumni for participation in conferences/webinars.
4. To organize get-togethers.
5. To honour distinguished alumni.

In this regard, all the alumni of Government Degree College Kupwara are informed to register themselves on the following Google Form link.
